

COURSES OF STUDY

The Board of Education recognizes that a well-articulated sequence of courses fosters academic progress and makes the best possible use of instructional time. The Board shall adopt a course of study that ensures smooth transitions among the schools and leads to the fulfillment of District graduation requirements. Secondary school courses shall prepare students for higher educational opportunities and also give them the opportunity to attain skills appropriate for entry-level employment in business and industry.

(cf. 6030 - Integrated Academic and Vocational Instruction)
(cf. 6146.5 - Elementary School Promotion/Standards of Proficiency)

The Superintendent or designee shall ensure that all otherwise qualified students have a timely opportunity, within the four years before graduation, to enroll in each course required for admission to California public colleges and universities. (Education Code 51228)

(cf. 6146.1 - High School Graduation Requirements/Standards of Proficiency)
