Dear Fabens Students, Staff, Parents and Community Members:

I would like to take this opportunity to welcome everyone back and wish you all a very Happy New Year! I hope your Holidays were joyful and restful!

Together with the Board of Trustees, we look forward to welcoming Dr. Veronica Vijil as our new superintendent. She will be joining us at the end of this month. She will bring with her a wealth of experience and a commitment to serving the needs of our students! I will serve as Acting Superintendent until Dr. Vijil arrives.

I appreciate all the work our teachers and staff continue to do to ensure our students have meaningful, rigorous, and positive learning experiences each and every day. As I have had the opportunity to visit many classrooms at each of our campuses, I am confident we have the best teachers and staff in the region! Students are engaged in meaningful work and teachers are building positive relationships that will guide our students to success! The support of parents and community members will ensure our students make the most of their educational opportunities!

Our focus at Fabens ISD remains constant. We believe all students will be prepared to be successful, lifelong, global learners. We believe in our students, and we show it by providing our best efforts as teachers, administrators, mentors, and support staff.

I am excited about what is to come and I hope that you are too. Student success is still our top priority and I look forward to achieving our campus and district goals together.

Go Wildcats!
