## School Accountability Report Card

### Reported Using Data from the 2017-18 School Year

#### Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: 09/25/2018

Beaumont Unified held a public hearing on September 25, 2018, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom. Textbooks and other standards-aligned instructional materials are adopted according to a cycle developed by the California Department of Education, making the textbooks and standards-aligned instructional materials used in the school the most current available.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	McGraw-Hill California Wonders Adoption Year 2018	Yes	0.0%

### School Facility Conditions and Planned Improvements (Most Recent Year)

Tournament Hills Elementary was originally constructed in 2007 and is comprised of 35 classrooms, a multipurpose room, a library, a staff lounge, a computer lab, numerous conferencing and administration rooms, and a playground. Cleaning Process: The administration works daily with the custodial staff of three (one full-time day custodian, one full-time night custodian, and a three hour night custodian) to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review. Maintenance and Repair by district maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Deferred Maintenance Budget: The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
<b>English Language Arts/Literacy (grades 3-8 and 11)</b>	49.0	57.0	47.0	48.0	48.0	50.0
<b>Mathematics (grades 3-8 and 11)</b>	52.0	49.0	33.0	34.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in ELA by Student Group

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

**Opportunities for Parental Involvement (School Year 2018-19)**

Tournament Hills Elementary benefits from its supportive parents who are active participants in their child’s education. The school in collaboration with the district has a volunteer application system which ensures we have approved volunteers at no cost to our families. The school has a strong base of parent volunteers who provide ongoing support for the classroom teachers. Parents are encouraged to join the PTA, which currently has hundreds of members at Tournament Hills Elementary. Our School Site Council (SSC) and English Language Advisory Committee (ELAC) meetings are held on a regular basis and all are encouraged to attend. The school also benefits from several community partnerships such as the Rotary Club which is a sponsor of our Early Act Club which meets monthly at the site. Other community sponsorship that help us recognize our students for academic and social achievements are from various local businesses. The school supports the Relay for Life event through a variety of fundraising activities. We also participate in an annual Canned Food Drive through the San Geronio Pass area HELP Organization, and the Winter-Wish program to help those in need during the Holidays.

### Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact Callie Beitler at Tournament Hills Elementary at (951)769-0711.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

### School Safety Plan (School Year 2018-19)

Safety of students and staff is a primary concern of Tournament Hills Elementary. The school is in compliance with all laws, rules, and regulations pertaining to school safety. The School Site Safety Plan was last reviewed and updated on 12/10/17 by the School Site Committee. All revisions were communicated to the both the classified and certificated staff.

The school's current disaster preparedness plan includes steps for ensuring student and staff safety during a disaster in alignment with our Hour Zero safety program. Fire, Lock down, and Earthquake disaster drills are conducted on a monthly basis throughout the school year. Students are supervised before, after, and during school by classified staff, certificated staff, and administration. Classified staff and the administration supervise students during breaks. There is a designated area for student drop off and pick up. All visitors and volunteers are required to sign in through the Raptor system, using proper ID, prior to entering the school grounds. We are a "closed" campus for the 2018-19 school year which allows parents to volunteer during the school day in classrooms but does not allow parents or community members to roam campus during unstructured times (before school, recess, lunch).
