Principal, H. F. Sodt Elementary School and Early Childhood Center

Dear Sodt Families,

Due to the precautions that the State of Michigan is taking in regards to the Coronavirus Disease, the following changes are being made effective Friday, March 13, 2020. Please read through the following information and contact me with any questions or concerns.

- School is closed from Monday, March 16, 2020 through Monday April 13, 2020 (please remember our Spring break is scheduled for Monday April 6th-Monday April 13th)
- All activities for the month of March are canceled:
 - Read-to-Me Day
 - VIP Canvas and Cookies (money will be refunded to all who pre-paid for this event when school resumes)
 - Early registration for kindergarten
 - Parent Involvement meeting

All events are canceled through April 30, 2020 in our district per the Monroe County ISD setting precedence this includes:

- Young 5's/kindergarten field trips
- Kindergarten round up
- Fine Arts/Leadership Night
- Spring Fun Run
- Parent Involvement Meeting

Lastly, all classroom teachers have compiled classroom work packets for the next three weeks we are off (the week of April 6th is Spring break week). Please work through each packet as marked, week 1, week 2, and week 3. The information in the packets are ordered in the way they were intended to be taught by the classroom teacher, please follow that order. Also, we are working on a schedule that will allow all finished packets to be returned each week. Schools are being held accountable by the State of Michigan to ensure that students are still learning academics over the next three weeks. Your child's classroom teacher will send out more

Our Mission: To provide all student an excellent education today, to prepare for tomorrow's challenges

information over Bloomz, please stay in contact with your child's teacher over the next three weeks so you are informed with all the details.

Thank you for your patience and support through this time, please be sure to check emails and listen to Honeywell calls. Mr. Petty will be communicating all information through these two means.
