ANNUAL HALLOWEEN PARADE

Wednesday, OCTOBER 31st - 8:45 A.M. sharp!

Schedule for Wednesday, 10/31/18, will be observed by Grades Preschool-6.

Regular Wednesday Schedule after the parade

PARADE ROUTE: Students will be circling the “traditional” courtyard and the primary playground. They will circle the hard-top surface before returning to the courtyard. This will give our students more space and make it easier for picture-taking. We recommend parents/guests of our SDC Pre-school and Kindergarten classes stay in the “traditional” courtyard area.

NO full-faced masks will be allowed. (i.e. “Scream” masks). Only **LIGHT** make-up/hair color will be allowed. The purpose of this rule is for student safety and our need to always be able to identify our students. Full-face masks must be carried during the parade. No scary costumes or scary clown costumes. Make-up should be easy to remove at recess with soap & water. NO FAKE WEAPONS, of any sort, will be allowed. Wearing RED and light make-up for Red Ribbon Day is another alternative. Be creative!

Please remember: Students should bring a change of clothing or wear school attire under his/her costume. Use of the office telephone **WILL NOT** be permitted for students wanting to call home for a change of clothing.
