PRINCIPAL'S MESSAGE

Dear Families,

The school year is off to a great start. We appreciate all of the support that you give your child and our school each day. Our Simcoe staff are committed to providing quality instruction for our students in order for them to achieve their fullest potential. Likewise, we believe that it is important for families and schools to work together and share responsibility for student success. Please make sure that you ask your children, every day, what they did in school, what did they learn and why did they learn it.

With this in mind, I would like to invite you to our upcoming our K-2 Parent Night event on October 17, 2019. Our teachers have planned and identified educational activities specific ways you can work interactively with your children, as well as strategies that you can use as resource to better help your children at home.

Again, thank you for all your support, and please do not hesitate to give me call if you have any questions. You may contact me at [509.877.5063](tel:509.877.5063).

Sincerely,

Maria Batarao
Principal

PARENT TEACHER ORGANIZATION

Our next PTO meeting is scheduled on October 8, 2019, at 5:30 P.M., in the Simcoe Commons Area. Please come and join our meeting.

Perfect Attendance Creates Excellence (P.A.C.E)

It is our goal to have each student attending Simcoe Elementary School reach their highest potential academically, socially and behaviorally. One key element in reaching that goal is regular attendance.

This school year, we are participating in the Bud Clary Yakima P.A.C.E incentive program which provides every student who achieves perfect attendance through the entire month with a chance to win a brand new bicycle and helmet. Two students will win each month.

Please encourage your children to be present at school every day.

Every School Day Counts!
