

Order a Field Trip Lunch!

Field Trip Lunches are available to your child from The Nutrition Group

Your child's teacher has scheduled a field trip that will involve absence from the school during lunchtime. The Nutrition Group can pack your child's lunch for this trip! Here's what you should know:

- Lunches are packed in coolers to keep them cold and safe during transit.
- All lunches include a sandwich or salad, vegetable, fruit, special treat and milk. (Veggies are included in the salads).
- Students eligible for free or reduced meals can receive this lunch for no cost or at their normal reduced rate.
- Students with allergies or other health conditions will receive appropriate substitutions when parents provide The Nutrition Group with medical documentation.

Students and teachers may pay cash in advance or have costs deducted from their food service meal accounts. Adult chaperones must order and pay cash in advance if you do not have a cafeteria account.

Please return the bottom of this page to the school with your field trip permission slip at least TWO WEEKS prior to the scheduled field trip. We hope you find this service helpful!
