

# Zion's Prayer Page

October 21 - 27, 2018

---

**Sunday** Ask the Lord to bless our fellowship event this afternoon. Pray that many will come together for the tailgate lunch and Bears football game. Thank the Lord for our friends here at Zion. **GO BEARS!**

**Monday** Pray for those who need the Lord's healing hand in their lives at this time. **Logan Vallee** continues to struggle. Pray that the doctors are able to find ways for him to feel better and to regain more of his weight and strength. **Mark Schmidt** had back surgery last week. Pray that he is doing well. He is also facing more surgery soon. Pray that things go even better than expected. Others?

**Tuesday** Keep those in your prayers who are still recovering from the Tsunami in Indonesia, hurricane in Florida and Georgia, and the flooding in many different parts of the United States. Ask the Lord to give you ways to support others in their time of need with your prayers and gifts.

**Wednesday** Zion School has parent/teacher conferences today and tomorrow. Ask the lord to be with our parents as they raise their children in Christ. There are many challenges in the world today, but thank the Lord that He has overcome the world through the work of Jesus Christ.

**Thursday** Ask the Lord to be with our Zion teachers. They have the privilege and responsibility of sharing the love of Jesus each and every day at school. Thank the Lord for the great teaches we have here at Zion. Pray for their health and safety in this school year.

**Friday** Keep the farmers in this area in your prayers. This is a hectic time for them as they bring in the fall crops. Pray for their safety as they work in the fields and transport machinery on the roads. Pray that they remain healthy during these long days of work. Thank the Lord of the harvest for all He provides.

**Saturday** The funeral for **Charlie Roth** will be held this afternoon. Thank the Lord for all the blessings given to Charlie over his years. Praise the Lord for the strong faith Charlie was able to share with family and friends. Ask the Lord to be with his children, family and friends as they mourn.
