

## Flagstaff Academy K-8 Academic Interventionist

### Overview of Position

Responsibilities include the following. Other duties may be assigned.

- Work in small group settings, push-in and pull-out, in the areas of reading, writing, and math.
- Assist and participate in the MTSS process and Student Support Team
- Implement MTSS Tier II strategies and interventions targeted to root cause
- Be responsible for regular progress monitoring aligned to root cause and intervention for student caseload
- Keep accurate data for all students on the caseload: record, interpret, and communicate data through Alpine Achievement and Google sheets
- Modify instruction based on data collected at regular intervals
- Have regular parent contact and attendance at all conferences of student caseload
- Obtain parent partnership forms signed and uploaded into Alpine prior to starting work with any student.
- Send a group update letter (eg: to the three families of a 2nd grade reading group), to all groups, monthly to every 6 weeks
- Communicate and collaborate with classroom teachers
- Provide lesson plans for substitute teachers in the event of a long term absence of more than 3 days consecutively
- Manage READ plans through Alpine Achievement and provide teacher training and support
- Work collaboratively as an intervention team, with Administration, Classroom Teachers, and the Student Support Team to ensure all Tier II students are being identified and serviced
- Help administer and proctor standardized assessments (PALS, iReady, DIBELS Next, CMAS), and support classroom teachers during these times
- Attend District Trainings as provided, and disseminate information as needed
- Participate in ongoing professional development, self study, and improvement to stay up to date on strategies, and best practices
- Other duties as assigned

We seek a talented educator who can inspire students and teachers, and be inspired by our mission – “where science and technology take flight.” The successful candidate is expected to deliver dynamic learning experiences with high educational expectations and accountability.

Specifically, we seek:

- the ability to work collaboratively,
- excellent communication skills,
- a willingness to work closely with families,
- credentials as a highly qualified teacher in Colorado, and
- effective instructional delivery techniques.

Job Skills and Qualifications:

1. Current Colorado Teaching License
2. Ability to interpret and communicate student data
3. Strong systems orientation and commitment to follow-through
4. Prefer an advanced degree in literacy
5. Prefer experience with tier two academic interventions

### **Overview of School**

Flagstaff Academy is a Pre-K through grade 8 public charter school located in Longmont, Colorado and is affiliated with the St. Vrain Valley School District. We are a fiscally sound and responsible charter school with a vision for excellence and longevity. In operation since 2005, we have gained a regional reputation for excellence in academic education especially in science, mathematics, arts, and technology. We boast a qualified staff and low turnover of our professional faculty. Our students go on to the highest echelon of public and private high schools in the area. Teacher salaries are competitive and subject to expertise and experience. Flagstaff Academy is an Equal Opportunity Employer (EOE). The Vision of Flagstaff Academy is to develop students who are equipped to be well-rounded, ethical leaders in the world community with a foundation based on science and technology.

Flagstaff Academy's Mission is to:

- Provide a K-8 Core Knowledge-based education with a science and technology focus that challenges students to achieve their academic potential.
- Supply opportunities for scientific and technological exploration.
- Pursue excellence in every student and employee.
- Promote, value, and recognize academic achievement and creativity.
- Welcome a diverse student population.
- Respect the individual, classroom, school, community, and world.
