

5th Grade Summer Reading

Rules by Cynthia Lord

Over the summer, read the book *Rules* by Cynthia Lord. We will begin the school year with discussions and activities. Make sure you have finished the book by the first day of school and please bring your copy of *Rules* for the first day.

Feel free to read more than just *Rules* over the summer. I'll be keeping a log of books that I read during break. Can you read more books than Ms. Cullen? Bring a log back on the first day of school (you can write it on looseleaf). Don't forget to include the total number of pages each book is that you finished. Add them up at the end of the summer.

We can see how many books and pages everyone reads!

Enjoy your summer and I cannot wait to meet you next year!

Ms. Cullen
