

## News You Can Use from the Principal

May 6, 2019

What a wonderful school year this has been! I can't believe May is in full swing, but the flowers are blooming, and the campus lake is full of baby geese and turtles. Teachers are working hard to finish up the year strong as everyone prepares for final exams.

- Mass this week is Thursday at 1:20 in the auditorium. Since the juniors will have their rings blessed, we moved Mass after the morning AP exam. Regular uniform.
- Wednesday is the last early release day of the school year. Senior exams are next week. All other exams will begin Monday, May 20. Check the handbook for the schedule.
- Click [here](#) to take you to our website to get your FACTS account set up for next year. Invoices will be posted to your account there. It's important to get this set up soon, so please take a few minutes to do that today. All students who have registered for next year should have an account set up so we can deliver your invoice to it. Thank you!
- I need to remind everyone of a few housekeeping points:
  - Students should be dropped off and picked up in the carpool line near the cafeteria. I've noticed some students being driven to the 500 building and some being picked up in front of the administration building. Please adhere to the instructed course in order to insure efficiency and safety for all souls on campus.
  - All printing fines and any other fees must be paid prior to exams being taken. Sports uniforms must be turned in as well as library books and textbook. MacBooks and iPad need to have the chargers returned with it. Textbooks must be returned, and damage fines must be paid. Those are beginning to be assessed now.
  - If your student is tardy for school, they **must** come to the office to sign in.
- Bruin Boosters annual golf tournament is this Friday, May 10. The day will be extended for extra fun on our campus: Bruin Bash! This is a coordinated effort between Boosters, PA and FAST. Click [here](#) for details. We're actively watching the weather to determine if changes need to be made.
- The athletic awards banquet is tomorrow. Athletes eat free. Dinner line in the cafeteria will open a little before 5:30 with the awards ceremony in the gym at 6. \$10 for non-St. Joe Student Athletes.
- Seniors are having a summer food drive for underprivileged children: cereal, granola bars, etc.
- Uniform reminder: boys must shave and have hair above the ears, eyebrows and collars. Some cannot make it to the end of the year.

God bless,  
Mrs. Kinsey

### **BRUIN SHOUT- OUTS**

- *Celebration of the Arts* was a most wonderful event yesterday. The arts make our world better, and we have so much talent on this campus. Well done!
- Bruin Baseball is headed to South State. They swept Loyd Star last week.
- Class of 2016 alum Cole Green has been awarded the prestigious Goldwater Award and Scholarship.
- Class of 2017 Alums: Winford Ross signed to play basketball with MC and Michael Buck signed to play baseball with Delta State.

**We are St. Joe!!**
