

Columbus ISD is continuing to monitor the current COVID-19 situation. We are working on determining how many of our families are in need of a device, so their children can do their work online. If you have not yet completed the technology survey on our website, please do so. **We will provide one Chromebook per family, for those families who do not have a smart phone, iPad, laptop, Chromebook or desk top computer.** All families who will need a device will pick them up in front of the High School Campus.

The schedule will be as follows:

High School – Thursday Morning 9:00-11:00

Junior High – Thursday Afternoon 1:00-3:00

Elementary School – Friday Morning 9:00-11:00

This pick-up time is **ONLY** for families without a device. We are in the process of buying some mobile hotspots, but they will not be here for 2-3 weeks.
