

Hampden Wilbraham Regional School District

Good Afternoon - This is Superintendent Ganem of the HWRSD. I hope that you and your family are well. Today was the last day that our schools will be physically open. As of March 19th all our schools will be closed and will undergo a deep thorough cleaning. Our goal is to have our schools ready when our students can return back to school which is scheduled for April 7th. Our MRHS campus grounds will also be closed from Dusk to Dawn. During this time we will be in constant communication with staff and families. Please check our District Web-site for important up to date information. Also if there are any questions that you may have please go to the e-mail HWRSDCARES@hwrsd.org. We have created this e-mail to help answer any questions that you may have. We will be checking this e-mail daily. Please know that information is constantly changing and we might not have all the answers at that time. Lastly from the bottom of my heart please take care of each other at this time. Have a good night.
