In turn when a project is not turned in on time or not turned in completed they will have an MI (missing) or INC (incomplete) for all of those grades. No project is graded until it is completed. They may complete project work at home if they have their own art supplies or arrange to come in before or after school upon appointment.
- c. Performance: During spring a student art show is held for LMS art students. Only artwork done in the school art classes for the current year will be displayed. The show is mandatory as our final performance in the aspect that each student has to choose and enter a number of class pieces, hang their own artwork, label each piece, and bring a visitor to the show. All of this is done in class except bringing visitors to the show. Students can bring a friend, teacher/school staff, or Parents/family to the show during set show times after school or during set evening show hours.
- d. Performance: Each project a student completes is displayed at school until the next project is completed. The previous artwork then goes home with the student to save until the final show in the spring when they choose which pieces are their best works. Students learn correct studio skills when displaying work. Students also participate in presentations of selected projects, in class, for experience in art discussions and critics.
