Crothers Building Safety Policies and Procedures

STUDENT ARRIVAL/DISMISSAL

Students are asked to line up at their designated doors and will enter the building beginning with our first bell at 9:00 a.m. Second bell rings at 9:05 a.m. which signals the start of our day. Students arriving later than 9:05 will be marked Tardy. They must enter through the main doors and report to the office. Students are asked to come directly to school and go directly home. If there is a change in routine, please send a note of permission to your child's teacher or call the office at least 15 minutes before dismissal.

BUILDING SAFETY DRILLS

We will be conducting several safety drills over the course of the school year. The purpose of these drills is to ensure that staff and students are safe in the event of an emergency. As a building we will be practicing Fire, Severe Weather, and Lockdown drills. Teachers and Staff will review and rehearse these procedures well in advance of the safety drills.

PARKING LOT SAFETY

Parking is permitted on Campbell and in the City Park across the street from the school on Campbell. NO PARKING or STOPPING is permitted on Garbor. Parents with a state issued Handicapped permit or license plate will be given access to the parking lot. Please use sidewalks when coming to and from the school. Do not allow your child to cut across the lawn or parking lot. It is our goal to keep everyone safe while allowing traffic to flow as smoothly as possible.

TRANSPORTATION/BUSSING
