Please be sure the following documents are attached: Most recent report card.
 Most recent STAAR scores.

To **maintain enrollment at Sullivan Environmental Science Academy**, all students are expected to maintain an 85 or higher average in all core academic courses (Reading, Language Arts, Math, Science, and Social Studies), meet STAAR standards, and meet end of year local assessment cut scores. Students who habitually break school rules and/or exhibit antisocial behavior may be reassigned to their zoned campus. When students are not meeting our minimum academic standards during the academic year, all reasonable attempts will be made to support student's efforts to succeed.

Students may not exceed **3 unexcused absences** for the year. Extenuating circumstances, such as illness with a medical excuse; death of an immediate family member; or traumatic experience will be reviewed by the Attendance Review Committee.

Sullivan Elementary Environmental Science Academy expects all of our students to be successful. Therefore, in order to maintain academically high standards, students who do not meet the minimum academic, behavioral, or attendance requirements may be reassigned from the magnet school and returned to their home campus.

Signature of Student

I understand that Sullivan Environmental Science Academy offers a rigorous academic program. I realize that my participation in the Academy will give me a brighter future by providing me with a foundation and proven path to high school, college and career success. If admitted, I am prepared to make this commitment and will give my all while participating in this program.
