Dear Parents, Students and Community,

Cardinal Mooney Catholic High School staff has been working very hard this past week and we are excited to begin our virtual classes on Monday March 23<sup>rd</sup>, 2020. We want to make this extended school closure as organized for our families as possible. These are unprecedented times for everyone. We will make adjustments as necessary. Our goal is to continue to provide a quality education for our students. We do appreciate your patience and understanding and welcome constructive feedback. Please remember to check your email and the schools website regularly for updated information.

The following is VERY important information regarding our virtual learning and our extended school closure:

- Attendance will be recorded each day. I have asked the teachers to record attendance at the beginning of each period. I am asking that you remind your student how important it is to log into their classes on time. This is also our opportunity to touch base with your child and see how they are doing.
- Below are the following attachments:
  - Log in Instructions
  - Teachers email addresses
  - Master Schedule
  - Block schedule (if pertains to your schedule)
  - Third Quarter Ends on Friday, March 27<sup>th</sup>
  - Homebound Prayer for Mercy during COVID-19 from Father Lapeyre.

I am keeping all of you in my daily prayers and looking forward to seeing you all soon!

Sincerely,

David Evans, Principal
