Foothill FFA Sweeps Section Parli Pro Contest!

Foothill had the privilege of hosting the Parli-Pro competitions for the Kern Inyo and South Valley Sections. Our Novice and Advanced teams competed and we are very proud of their performance. Both teams took first place in their divisions and had four high individuals in both teams. This was the first time Foothill has swept these contests in quite some time. Overall Foothill had 8 high individuals out of 12. Our high individuals for Novice were Nathalie Paredez, Ashli Coston, Melissa Jorge, and Lizbeth Iniguez. Our high

individuals for our advanced team were Caleb Freeman, Abigail Freeman, Alejandra Umanzor, and Charisma Arreola.

Novice Parli Pro wins 5th @ Region!

On March 22, 2019 the Novice Parli Pro team competed at the region level against 8 other schools. The top 4 schools would continue to state. Our Novice team place 5th, very closely behind the fourth place school, and beat out 3 other teams. They all worked very hard to get there by practicing twice a week after school and in the mornings, as well as working independently on their own. We are very proud of our novice team for coming so far from not placing at Davis, to sweeping the floor at sections and placing 5th at region! The members on the team are Natalie Paradez, Ashli Coston, Melissa Jorge, Lizbeth Iniguez, Emma Contreras and Celicia Anchondo.
