Student Lunch Account

Please make sure if you haven't already done so, that you sign your child up for a lunch account. If they plan on eating hot lunch or snacks at anytime they need to have an account. You can go to wtdel.wtcafe.com.

Emails & Parents Web

Most of our communications to parents come in the form of email. You should be receiving a minimal of one email per week, however, most weeks there are several. If you are not getting any emails from Sacred Heart School or Constant Contact, please email lbuck@sacredheartcatholic.com We have also found that some emails put our school emails into a junk or clutter folder. Please check these folders first. If you are having emails sent to a work email, your work might be blocking these emails.

All Sacred Heart Families will need to create an account through Parents Web if you haven't already done so. Follow the link below and select *Create New Parent Web Account*.
