

Moravian Falls Elementary School

Vision Statement

The Moravian Falls Learning Community develops and nurtures the whole child by providing the relevant experiences necessary to become globally competitive citizens in the 21st century.

Mission Statement

It is the mission of Moravian Falls School to promote student excellence by providing holistic learning opportunities, maintaining high expectations, and celebrating all efforts and victories. During the process of building our cooperative learning environment we embrace diversity through the strength of teamwork. These life skills empower our students to become productive, responsible citizens who will contribute in making our community, state, and nation a better place.
