For Immediate Release: August 30, 2015

Due to local flooding from area waterways, combined with projected heavy rains for the coming week Superintendent Dr. Karyn E. Gary reports DeSoto County Schools will be closed Monday August 31st.

DeSoto County residents in flooded areas are encouraged to call DeSoto Emergency Management for local resources, especially if they need to be relocated. They can be reached at 863-993-4831 during regular business hours.

DeSoto County Emergency Management has the most current charts and records for waterway levels; you may keep up with their reports online at http://desotobocc.com/departments/emergency_management.

All residents should continue to check in at the School District of DeSoto County's Facebook page at www.facebook.com/desotoschools as well as the district website at www.desotoschools.com for official updates, as well as local news channels for area weather warnings and watches as well as further reports on Monday concerning school operations for Tuesday.
