

hello third GRADE

Hello third grade families! It is that time of year again. I am very excited about the upcoming school year! We will do a lot of learning and growing together throughout the course of the year. In order to be organized and prepared for an exciting third grade year, it is suggested to have the following supplies:

- ★ 2 boxes of pencils
- ★ 1 box of crayons or colored pencils
- ★ 1 pair of student scissors
- ★ 1 folder
- ★ 4 black/white composition notebooks
- ★ 1 package of Expo markers
- ★ 1 pair of earbuds/headphones
- ★ 1 package of multiplication flashcards

Classrooms are always in need of additional supplies. The following supplies would be extremely beneficial to our classroom. These supplies can also be donated at any time of the year!

- ★ Kleenex
- ★ Clorox wipes
- ★ Hand sanitizer
- ★ Expo markers

Thank you for helping prepare your students for a wonderful year! I look so forward to meeting and working with all of you!
