*****Have you logged in to your Parent Portal lately? *****

Remember, it is important to keep your account active by logging in monthly. There is a self-service link to help reset your password or get your username on the Infinite Campus Parent Portal log in page which will allow you to reset and log in at any time. If you do need additional help logging into your portal account, please call 270-831-8759 or email OLR@HENDERSON.KYSCHOOLS.US

Bottle Cap Challenge

This year Henderson County Parks & Programs has partnered with Henderson Recycle and Henderson County Schools on an exciting project! Henderson Recycle has provided containers for collection of bottle caps, the bottle caps collected will be used by the county parks department to purchase benches for our parks; the containers will be at school until April 30th, 2019. During the month of December our school will also be represented at the recycle center for any donations made by the public. See our website for further details!

Congrats to all the Student Technology Leadership Program (STLP) students who represented Jefferson at Murray State University at Regionals. You made our school Proud! Also, we would like to congratulate the STLP team's "Jaguar News" for being recommended to go on to the State competition in the Spring!

Bus Changes

Students will need a note signed by a parent/guardian when needing to ride a different bus, going somewhere other than home or original drop off. The note must state name and address of the person where the student will be going. Please make every effort to make arrangements before school and send the note with the student in the morning. We know there will be times when changes must be made. If so, please try to call the school and let us know of any changes with precise instructions where child is to go by 2:00PM.
