Application to College

Before applying to college you must first have an OpenCCC account.

The OpenCCC single sign-on account allows you to access the online services of the California Community Colleges.

OpenCCC is a service of the California Community Colleges Chancellor's Office. The information in your account is kept private and secure.

Step 5: Click on Begin Creating My Account.

Create Your OpenCCC Account

OpenCCC allows you to access California Community Colleges secure web applications.

You Must Have an Email Address

The California Community Colleges and OpenCCC will use email to send you important information. You will need to provide an email address when you create your account.

Free email accounts are available from many sources:

- Google Gmail
- Yahoo Small
- Outlook
- Other Providers

Note: While all of the providers listed above have millions of users and are widely trusted to be reliable and secure, OpenCCC and the CCC Chancellor's Office do not endorse any particular email provider, and will have no liability should any issues arise with a particular email provider.

All information is kept secure and private as explained in the Privacy Policy. By creating an OpenCCC account, you are agreeing to the terms and conditions of the Privacy Policy.
