Greetings NACA Families and Community!

First and foremost, we hope all families are healthy and safe. Furthermore we are sending thoughts and intentions for all to stay grounded in this time of uncertainty. Remember that each of us come from families and ancestors who are resilient. Please stay in communication with us through your child’s advisor or head of school if your family is experiencing hardship during this time.

Last week we launched our continuous learning plan for all students intended to provide students with lessons to build on skills learned and to engage in their intellectual wellness. We will continue to fine tune these plans to ensure that we are taking into consideration challenges and opportunities that families are facing may include: access to technology and internet, impact of closure on employment, and food security. During this time, our priority is families health and wellness. We will work with each family to ensure that we are responsive to any challenges to the learning plans they may be experiencing. Challenges in access to a device/WiFi won’t constitute a student failing. Please reach out to us if you are experiencing any of these challenges.

We also want to acknowledge team members who went above and beyond to help distribute devices (Romulous), packets (Mr. Rosette), and language supplies (Tirzah) to families and students in need. Approximately 90 devices were distributed.

Given the current inventory and concern about safety, we are stopping the distribution of devices and will be working with families on a case by case basis. We will be prioritizing students who are most in need of access to learning plans including seniors, students with disabilities, and students in need of credit recovery. Please contact your respective Head of School for more information.

Mikki Carroll - High School: carroll@nacaschool.org
Azella Humetewa - Middle School: humetewa_a@nacaschool.org
Zane Rosette - Elementary School: rosette@nacaschool.org

Lastly, please be on the lookout for an opportunity from us to provide assistance to families who are experiencing hardship during these times. If you are experiencing hardship at this time please email info@nacaschool.com with the subject “assistance”.

“None of us is more important than all of us”
