Supplies, Procedures and Policies:

1. All students must arrive on time for class each day with the following:
   - Pencils or pens – colored pencils are **HIGHLY ENCOURAGED**
   - Red pen or pencil is required
   - A binder (leaf paper in binder) for homework and class notes
   - Loose leaf paper
   - A divider (5 tabs) for 3-ring binder to keep handouts, returned exams, and the like
   - Students are *encouraged* to purchase a **scientific calculator** ($5 - $15) or **Graphic Display Calculator** ($50 - $100) that may be used during class, on homework assignments, as well as on quizzes and exams.

2. A **Bell Ringer** will be given at the beginning of most classes. The assignment will consist of one or two problems discussed in the previous few lessons or of Algebra Review topics.

3. **Homework** solutions will then be provided from the previous day’s assignment. It should be assumed that homework will be assigned **EVERY DAY** the class meets. Homework grading will vary and be random. It may be collected, checked in, quizzed or nothing at all. For this reason it is important to have HW ready every day! Classroom assignments and homework will **not** receive full credit when turned in after the due date.

4. During each week we will have a **Quiz** or **Minor Assessment**, unless a chapter exam is scheduled. Quizzes will vary in nature: Homework Quizzes, Take-Home Quizzes, Group Quizzes, etc.

5. At the end of every chapter an **Exam** or **Unit Assessment** will be given.

6. **Binders** will be checked during such exams for the following:
   - Class notes/activities: dated and with examples
   - Homework assignments which include the following: **page number, questions, diagrams, solutions, and answers shown**
   - Tracking Worksheet

7. A **final exam** will be given at the conclusion of each quarter and will count for 10% of your final grade.

8. **Attendance:** Students are expected to be in class and arrive promptly each day. Tardiness will not be tolerated. All late arrivals will be subject to school discipline policies. Lesson and homework are posted on Google Classroom

**Expectations:**

Students **MUST** work. **Lack of effort will result in a failing grade.** Your final grade will be determined largely by your achievement on assessments. It will be difficult to pass without being able to demonstrate knowledge and understanding on a consistent basis. You will be able to re-take a chapter test after a scheduled appointment with Ms. Bravo to review the chapter material.
Plagiarism/Academic Dishonesty:
There is zero tolerance for plagiarism and academic dishonesty in this course. This is the act of using information, ideas, or language that is not your own without permission or without giving credit to the appropriate source. Any classroom occurrence in this category will lead to disciplinary action and possible suspension. *This pertains to homework, quizzes, written work and exams. If any copying or plagiarizing is SUSPECTED, then BOTH parties will receive a default grade of 0 on the assignment.*

Copying from another student or giving answers to them is considered cheating. The AHS Policy is as follows:

1\(^{st}\) offense = 0 on assignment. 2\(^{nd}\) offense = reduced letter grade in course.

Tutoring:

Tutoring with your teacher must be scheduled. Ms. Bravo is generally available before school. Students are encouraged to take advantage of the tutoring options available throughout the school. DEY tutoring afterschool is require if you need extra support to complete homework.

### Sequential Topics List

**First Quarter:**
- Notation and Terminology
- Angles
- Parallel Lines

**Second Quarter:**
- Triangles
- Triangle Proof
- Similarity & Similar Figures

**Third Quarter:**
- Right Triangle Trigonometry
- Quadrilaterals
- Circles

**Fourth Quarter:**
- Area
- Surface Area
- Volume

### Grading Breakdown:

- **Formative Tasks** – 50%
  - Classwork (10%)
