

College Counseling Summer Homework.

Class of 2019

Complete your resume on Naviance. This is important as your teachers and counselors will be using this to help write their letters of recommendation in the fall. The more you add, the beneficial it will be to your college application.

Add the following areas if possible. If you are adding sports/music, etc, please make sure to add the highest level by which you've excelled at (including competitions, etc.).

Academic	Cultural	Journalism/Publication
Art	Dance	Junior R.O.T.C*
Athletics: Club	Debate/Speech	Science/Math Competitions
Athletics: JV/Varsity	Environmental	Music: Instrumental
Work (paid or unpaid)	Family Responsibilities	Music: Vocal
Community Service (Volunteer)	Study Abroad	Student Govt./Politics
Computer/Technology	Robotics	Any Research/ Shadowing

Due: August 17th.

Please also check the College Visits list on Naviance. College Reps have already begun to register for Fall visits at our campus. (You can already sign up for their visits on Naviance. Please continue to visit this College List as it continues to grow).

Class of 2020

Interview someone in a field/career in which you are interested in. It should be 1-3 pages in length in an informal essay. Please email me your assignment to dcunha@ndhsb.org.

1. State the career/position and person you are interviewing.
2. How long have they been in this profession
3. What was their educational background that got them to this career.

4. Why did they decide to enter into this career path.
5. Did they know what they wanted to study or did they come to that realization later?
6. What are the pros and cons of this career path/position.
7. In hindsight, are they glad they went into this profession?
8. What advice do they have for someone going into their profession?
9. Based on what you have heard from your interviewee, would you consider this career (or not)? Explain why or why not.

Due August 30th
