

**What is a School-Parent Compact?**

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on students' learning units
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

**Jointly Developed**

The parents, students, and staff of Adairsville Middle School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the Compact and make changes based on student needs. Parents are welcome to contribute comments at any time.

### **Bartow Count District Goals for Student Achievement**

- The System will communicate effectively, internally and externally.
- The System will increase the quality of K-12 classroom instruction preparing all students for graduation and beyond.
- The System will achieve and maintain financial stability and integrity while providing quality programs that meet or exceed the needs of all students.
- The achievement gap that exists for English Learners and Students with Disabilities will be reduced 5% in each subgroup by 2019-2020.

### **AMS School Improvement Plan Goals**

- **Goal 1:** During the 2019-2020 school year, AMS will implement literacy strategies that will improve content growth by 2% as indicated by Georgia Milestones.
- **Goal 2:** During the 2019-2020 school year, AMS will improve math content growth by 2% as indicated by Georgia Milestones.

#### **In the Classroom**

- Teachers will keep a current learning management system via Schoology with daily lessons, assignments, and links to additional resources for students and parents.
- Teachers will share family friendly educational websites to reinforce content area skills.
- Teachers will offer remediation and reassessment for content area skills that have not been mastered.

### **At Home**

Adairsville Middle School parents joined the staff to develop ideas about how families can support students' success. Families may have other ideas to add to this list.

- Review daily lessons, assignments, and links to additional resources posted on Schoology with my child regularly.
- Access my child's grades, via Parent Portal, biweekly. See front office for log-in information.
- Visit teacher-recommended, family-friendly educational websites with my child.
- Monitor my child's independent reading, 30 minutes per night, and progress to support standards' mastery.
