September 2019

## News from Mr. Allen

September has arrived and great things are happening at EES! The culture in our building is the best it has been since I began working at Eisenhower. I believe this is due to our Jaguars Achieving Greatness behavior system. Our goal is to affirm students that are doing the right thing with JAG tickets, which translates to spot one an individual card for each student. Once their card is filled up, they get to put a mark on their classroom poster and once a poster is filled up the class gets to put a spot on the Schoolwide banner. Once the banner is filled, we will have a school wide celebration we call PBR (Positive Behavior Reward). Our goal is to have a PBR celebration monthly. Please encourage your children to keep up the great work. We are proud of them!

Thank you for your continued support as we work to make Eisenhower an amazing institute of learning and discovery!

Secretary: Krystal Schwindt  
Teacher Rep's: Lara Schoming and Kellea Martens

## Be a Healthy Role Model for Children 10 tips for setting good examples

You are the most important influence on your child.

You can do many things to help your children develop healthy eating habits for life. Offering a variety of foods helps children get the nutrients they need from every food group. They will also be more likely to try new foods and to like more foods. When children develop a taste for many types of foods, it's easier to plan family meals. Cook together, eat together, talk together, and make mealtime a family time!

1. **Show by example - Eat vegetables, fruit, and whole grains with meals or as snacks. Let your child see that you like to munch on raw vegetables.**
