**16.a. HUMAN RESOURCES DIVISION**

**16.a.1. Approval of Memorandum of Understanding (MOU) Between Inglewood Unified School District and Inglewood Teachers Association - Health and Welfare Benefits for Laid Off Bargaining Unit Members**

**Recommended Motion:**

Administration recommends that the County Administrator approve a Memorandum of Understanding between Inglewood Unified School District and Inglewood Teachers Association to provide health and welfare benefits for bargaining unit members laid off due to a reduction or discontinuance of particular kinds of service and their eligible dependents through August 31, 2020.

**Rationale:**

The County Administrator must approve all memoranda of understanding. This MOU between IUSD and ITA provides the following:

Bargaining unit members laid off due to a reduction or discontinuance of particular kinds of service during the 2019-2020 school year shall be eligible for continued enrollment in the health and welfare plans they were enrolled in at the conclusion of the 2019-2020 school year. The District shall pay its contractual share of such plans for the laid off unit member and her/his dependents through August 31, 2020, at which time such benefits shall expire. Thereafter, the laid-off unit member may, if she/he chooses, continue to pay the necessary premiums on a monthly basis as provided by COBRA.

Without this MOU, insurance ends on June 30, 2020 for laid off certificated employees covered under the ITA collective agreement. By approving this MOU, the Inglewood Unified School District will continue to provide health and welfare benefits for bargaining unit members laid off due to a reduction or discontinuance of particular kinds of service; for the unit members and their eligible dependents through August 31, 2020.

FCMAT Personnel Management Standard 10.2

**Financial Impact:**

The approximate cost is \$45,000.00 to \$75,000.00, dependent upon the benefit plans of the laid off employees. If a laid off employee is reemployed prior to the start of the 2020-2021 school year, this cost would be reduced.
