STAFF DEVELOPMENT; INSERVICE EDUCATION/VISITATIONS/CONFERENCES

The Jersey City Board of Education recognizes that the skills required of support staff members change with changing technology. In order to ensure both optimum efficiency in district operations, and the continued growth in expertise of the staff, the superintendent shall ensure that appropriate programs of inservice training shall be developed for support staff as necessary.

The superintendent may recommend to the board the granting of leave for attendance of personnel at state, regional, and national job-related meetings without pay deduction and with expenses paid by the school system according to established allowances.

Mandated Inservice Programs

The superintendent shall arrange development of appropriate inservice presentations, seminars and/or workshops on equity issues, special education, child abuse and neglect, drug/alcohol abuse awareness, harassment, intimidation and bullying, handling blood and body fluids, possible hazardous substances in the workplace, crisis response, school violence and other topics specifically required by federal or New Jersey law.
