Student Athlete Signature: \_\_\_\_\_

## **Dear Parents and Players,**

As a department, we are very excited for the upcoming sport season. Below are some ideas we wanted to share before the season begins:

A. One of the goals of our athletics department is to develop your sons/daughters athletic skills so they will be able to participate at a competitive level within the league designated for play. We are aware that some players have never played a competitive sport. This fact creates a wide range of player skills on the team. Inexperienced players will be developed as much as possible by practicing the basic skills of the sport in which they will be participating. If you have a son/daughter that you feel may fall into this area, we highly recommend that they practice at home to try and improve their skills as much as possible. Playing time within competitive athletics is valued very high for the player and the parent alike. We will do our very best to give all players some playing time during the season, but not necessarily during every game. There is simply no way for us to guarantee playing time for your son/daughter as playing time is directly correlated to and earned through practice.

B. If you should ever wish to discuss your child's development of skills or playing time, we ask that you do not contact a coach prior to, during, or after a game.

Thank you,  
Todd Ignatz  
Athletic Director  
UME Preparatory Academy

## **Parent Expectations Policy Form**

### **A. Behavior during contests:**

1. Encourage our student/athletes
2. Do not fully take on the role of coach from the sidelines
3. Do not address an official

### **B. It is inappropriate to discuss with a coach:**

1. Playing time prior to, during, or after a game
2. Team strategy or play calling prior to, during, or after a game
3. Other student athletes (Never approach another student athlete discussing the outcomes of a contest or their performance, unless it is exclusively to offer compliment)

### **C. Coaches often need parents to tell them:**

1. Any specific health concerns about your son/daughter expressed directly and informally to the head coach at a mutually convenient time.
2. Notification of any schedule conflicts well in advance.
3. Your commitment to the program, and how you plan to make a contribution to the program's success.

### **D. If you have a concern to discuss with a coach, these are the procedures to follow:**

1. Make an appointment with the coach. Never approach the coach after a game unless the coach requests this. Please do not share your concerns to a coach in a public setting, including abusive speech and/or foul language.
2. Please do not attempt to confront a coach prior to, during, or after a game. These times are busy and emotional ones for both the coach and the parent, and this occurrence would not promote objective analysis of the situation.
3. If the coach cannot be reached, set an appointment and meet with the Athletic Director.

### **E. What should you do if the meeting with the coach does not result in a resolution to the problem?**

1. Set up a meeting with the Athletic Director to discuss the situation.
2. At this meeting, the Superintendent may also be asked to be present.

Todd Ignatz  
Athletic Director  
UME Preparatory Academy

## **Coaches Conduct Policy Form**

As a coach at UME Preparatory Academy,

We pledge to:

- 1.** Exemplify the highest moral character, behavior, and leadership; adhering to strong ethical and integrity standards. Set a good example for players and spectators to follow.
- 2.** Respect the integrity and personality of the individual athlete.
- 3.** Teach and abide by the rules of the game in letter and in spirit.
- 4.** Respect the integrity and judgment of contest officials.
- 5.** Display modesty in victory and graciousness in defeat in public.
- 6.** Instruct players in proper sportsmanship responsibilities and demand that they make sportsmanship the number one priority.
- 7.** Shake hands with opposing players and coaches at the end of the contest, regardless of the outcome.
- 8.** Be no party to the use of profanity or obscene language, or improper actions.

Todd Ignatz  
Athletic Director  
UME Preparatory Academy

## **Student Athlete Sportsmanship Policy Form**

Sportsmanship: One who abides by the rules of a contest and accepts victory or defeat graciously; one whose behavior is characterized by generosity and genuine concern for others; an awareness of the impact of an individual's influence on others behavior.

The ideal of sportsmanship permeates virtually every aspect of our culture. The ethic of fair play may be witnessed in all facets of life. However, its origin has been firmly established in sports, as conceptually and pragmatically a training ground for good citizenship and high behavioral standards. Sportsmanship is placed at a high premium at UME Prep. It is viewed as a concrete measure of our commitment to the educational nature of interscholastic/intramural athletics.

Athletics and their companion, competition, is one of the last effective strongholds of discipline in our society. Athletics are called upon to absorb more of their responsibility for teaching basic social values. Any contribution of this magnitude requires the implementation and enforcement of a definitive program.

Guidelines for student athlete behavior:

- Accept and understand the seriousness of responsibility, and privilege of representing your school and your community.
- Treat opponents the way you would like to be treated, as a guest or friend. Who better than the athlete can understand all the hard work and team effort that is required of your sport.
- Wish opponents good luck before the contest, if possible, and congratulate them in a sincere manner that you would like to be greeted following either victory or defeat.
- Respect the integrity and judgment of contest officials. The officials are doing their best to help promote your team and your sport. Treating them with respect, even if you disagree with their judgment (which may happen often), will only make a positive impression of you and your team in the eyes of the officials and all people at the event.

Athletic Director  
UME Preparatory Academy

## **Athletic Participation: No Pass No Play Policy Form**

There exists a certain rigor pertaining to academics at UME Prep. It is of the utmost concern that UME Prep student athletes meet academic criteria to enable themselves the privilege to participate in extracurricular athletics. At the same time, and also adhering to the academies core values, student athletes must exhibit and maintain a high standard of work ethic.

At UME Prep, a high premium is placed on student learning and achievement in conjunction with the development of a strong work ethic. We believe the outcomes of the two combined are key indicators, though not exclusively, for future personal success.

**Students are required to maintain a 70% cumulative average for each grading period as well as maintain no less than a 70% average in any one subject/class per grading period. Students that have one or more grades below 70% at the end of each grading period become ineligible for sport competition and placed on suspension of practices and contests for a period of 3 weeks. The suspension period is dedicated to raising his/her failing grade(s).**

**Alongside the academic grade, is the work ethic grade. The work ethic grade is to be maintained at no less than an 80% average per subject/class per grading period to remain eligible to participate in athletics.**

Students that fail to meet the academic or work ethic standards will be placed on a 3 week suspension period. During that time students will not participate in practice sessions or contests, as this time will be dedicated to raising his/her grade(s). The dates of the suspension will be set by the Athletic Director and/or Superintendent based on the day grades were recorded. A grade review will be made directly after 3 weeks from the reported grade failure. The review will be made to determine if the student will be declared eligible and able to rejoin his/her team or dismissed from the team.
