

Campbell Union High School District

Use of District Facilities

Fee Schedule by Priority Level

Five levels of priority have been established in Administrative Regulation 1330 in order to resolve scheduling conflicts. Facility Usage fees are not charged for Priority Levels 1, 2 & 3 (some other fees, like custodial charges may be assessed to Levels 1-3 depending on the particular event). Fees for Level 4 are designed to recover direct costs to the District. Fees for Level 5 are market rate charges.

A \$40 Processing Fee is charged for Groups 4 & 5.
A two hour minimum is required for all rentals.

Priority 1-- Activities and programs of the District directly related to the instructional and educational programs of the District.

Priority 2-- Adult Education instructional program

Priority 3-- Events or activities designed to serve the youth and citizens of the District, which are planned and directed by school attached groups, including the Parent, Teacher, School Associations (PTSA) and Home and School Clubs. All District approved school related fundraisers and booster related activities fall in the category.

Priority 4-- Use by community-based organizations whose primary purpose is service to District youth or the improvement of the general welfare of the community and where no admission is charged, such as BSA/GSA, Little League and Bobby Sox. If donations are solicited or admission charged, the proceeds are to be expended for the welfare of the pupils of the District, for charitable purposes, or for support of the local organization.

Priority 5-- Use by groups who do not qualify under the provisions of the Civic Center Act, but to whom the District may make facilities available on a commercial rental basis.
