| Clayton Arts Academy          | Elective must be for the Specialty you have been accepted in to (please see your acceptance letter)  
  - Art Specialty – Choose Art 1  
  - Drama Specialty – Choose Drama  
  - Photography Specialty – Choose Photography Arts  
  - Video Production Specialty – Choose Video Productions |
| Digital Arts and Technology Pathway | There are four pathways within the Digital Arts & Technology Academy. You may choose whichever elective matches the pathway you would like to pursue:  
  - Graphic Arts & Animation Pathway – Choose Computer Graphic Arts  
  - Traditional & Digital Arts Pathway – Choose Art 1  
  - Video Game Design & E-Sports Pathway – Choose Video Game Design  
  - Computer Science & Robotics Pathway – Choose AP Computer Science Principles |

**Special Note, the 2020-2021 school year is the first year 9th graders can opt-in to a 7 period schedule. Students who choose a 7-period schedule and that have been accepted into Medical Careers, Public Service, or Engineering Academies can also opt-in to the Digital Arts & Technology electives (they are open to all students).**
