John W. Garvy Elementary

No Experience Needed

Trophy
Medals
Chess Belts!

GRADES K-8

Students may bring a peanut-free snack to eat before class.

Develop your child's intellect through the fun game of chess! Current research has shown a strong link between chess and academic performance in a variety of areas, including mathematics and language arts. Also, chess has been proven to enhance motivation, concentration, focus, social skills, and creativity.

No previous knowledge of chess is necessary. Each class will consist of a fun, interactive teaching period and guided practice time. Both new and returning participants are welcome and will get to the next level under the guidance of an experienced Chess Scholars coach. There will also be a chess competition with prizes towards the end of the session! Each child will receive a participation medal and a chess keychain.

Course Time: Tuesdays, October 9th - November 27th, 3:35 PM - 4:35 PM
(8 Classes)

Let's Build It Engineering!

Fall 2018

John W. Garvy Elementary

GRADES 1-6

Students may bring a peanut-free snack to eat before class.

Enter into the fascinating world of robotics. In this exciting STEAM program, students will design, build and test their very own robots under the guidance of an experienced AES instructor. Projects include remote control cars, claws, cranes, crawlers, and battle bots. Educational components include gear ratios, mechanical design, electronics, and robotics engineering. No previous experience is necessary, just a desire to have fun, build, and learn. Each student will receive an award on the last day of the session and have the opportunity to earn Energy Belts to demonstrate their learned skills!

Course Time: Mondays, October 15th - December 10th, 3:35 PM - 4:35 PM

No class: 11/12 (8 Classes)

*You will need to enter the class code **JWG10.15.18** in order to register. Please register by 10/1 for the early bird price of \$116.00.*

Guitar Stars!

Students may bring a peanut-free snack to eat before class.

Afterschool Guitar Stars. No previous knowledge of guitar or music is necessary. The children will learn the fundamentals of guitar playing, including holding the guitar and pick, proper fret-hand finger position, sight reading, playing by ear and playing basic songs. Returning students will be taught chords and other harmony parts to accompany the class. Returning students will also be taught blues scales and will be encouraged to improvise with these scales. Each child will receive a participation award and guitar-related prizes.

GUITAR REQUIRED. A basic inexpensive guitar can be purchased through Amazon.com by searching for First Act FG127. **IF YOU NEED INFORMATION ON PURCHASING A GUITAR, CALL JOHN SUITS AT 773-286-2941.**
