ELEMENTARY SCHOOL

Fall NEWSLETTER September 3, 2019

PRINCIPAL'S MESSAGE

Dear Simcoe Families,

On behalf of the staff at Simcoe Elementary School, I am delighted to welcome you to the 2019-2020 school year! You have been an invaluable partner of Simcoe Elementary! Your active participation in the education of your child/children makes a tremendous impact in the quality of learning that they receive. As partners, we share the responsibility for our children's success. Once again, we are looking forward to another year of productive partnership with you to ensure that our children can achieve their highest potential.

We encourage you to consider joining our school volunteer programs. Our students can greatly benefit from your involvement and contributions to the school's program and its operations. In particular, we seek volunteers to help us with the following activities: Parent volunteers to help in reading with children in the classroom; student recognition events (ACE & PBIS); and recruitment of parent and community volunteers to be an active member of the Simcoe Parent Teacher Organization (PTO) and/or the Simcoe Parent Advisory Committee (PAC). If interested to volunteer, please call Miss Batarao at [509.877.5063](tel:509.877.5063).

Once again, welcome to Simcoe Elementary! We feel privileged to be a part of this school family. We thank you for your support and look forward to meeting you.

Sincerely,

Maria Batarao
Principal

PARENT TEACHER ORGANIZATION

Please join us at the Parent Teacher Organization (PTO) Opener meeting on Tuesday, September 10, 2019 from 5:30p.m.-6:30p.m.

Why come to a PTO meeting?

PTO meetings are a great opportunity to meet other Simcoe parents. You can be the first to hear about important news and upcoming events at school. You can bring up concerns, thoughts, and ideas on what you think the school could benefit from. You can learn how to volunteer your time, on campus or off to positively impact the learning experience of all students at Simcoe Elementary School.

PTO meetings bring together the home and the school so that parents and teachers may cooperate in the education of our children. We would like to ensure

that every parent who is able to be involved has the opportunity to do so.

If you are interested in volunteering, simply fill out a form in the office and we will get in touch with you to help you find an event and/or committee that fits your interests, talents and availability.
