

February 11, 2019

Dear STEM School Highlands Ranch Families,

Attached is the agenda for our second annual State of STEM. Our goal for this event is to celebrate our school's successes, keep all families fully informed, and to provide an open forum for your questions.

State of STEM will take place on Wednesday, February 20 from 4-6 pm in the Elementary School gymnasium. This event is intended for current STEM families.

- First Hour: The first hour will be dedicated to presentations and updates from different school, student and parent leaders. In some cases they will address questions from the attached Parent Feedback Form. More time will be given to key topics of interest during the second hour.
- Second Hour: We've dedicated nearly a full hour to Q&A. We will address all concerns sent via the the [Parent Feedback Form](#) as well as questions from the floor.

Thank you. Please direct any questions to communications@stemk12.org.

Looking forward to seeing all of you on February 20.

See agenda on page 2.

STATE of STEM - Agenda

**February 20, 2019
4-6 pm
Elementary School Gymnasium
STEM School Highlands Ranch**

- **Welcome**

- **Slide Show Agenda:**
 - **Board of Directors Update**
 - **2018-19 State of STEM**
