

TRINITY HALL

Educating and Empowering Young Women in the Catholic Tradition

101 Corregidor Road | Tinton Falls, NJ | 07724 | www.TrinityHallNJ.org

Dear Parents,

In accordance with New Jersey state law, we will be screening the freshman and junior students for scoliosis. Scoliosis is a lateral (toward the side) curvature in the normally straight vertical line of the spine.

Our screening does not diagnose, however, it is used to recognize signs of scoliosis.

Please complete the section below and return the form to the health office ***whether or not*** you want your daughter to be screened.

Thank you,
Susan Almeida RN, MSN
