Dear Parents/Guardians:

Your child/children have worked very hard this year. You should be very proud of their efforts!

In order to maintain the progress, it is important to continue practicing skills taught. In this packet, you will find math task questions and a reading challenge on Myon, which is our online library. Each activity should only take about 15-20 minutes per day. Please be sure to read over your child/children's work and sign on the cover sheet.

This packet is valued at 50 points and it is **due Monday, November 26, 2018.**

Thanks for your support,

Ms. Candace Jenkins
