

Welcome to Second Grade!

Dear Parents and Children,

As this school year comes to an end, we all look forward to a relaxing and enjoyable summer. Before you know it, school will be starting again. Soon you will be planning and shopping for that exciting first week, so we thought some back-to-school information might be helpful. Your child will need all of the supplies listed below. We'll also be asking you to replace them mid year.

We look forward to meeting you and to a wonderful, productive school year together. We're certain that you will find second grade to be both challenging and exciting. Thank you in advance for your cooperation! See you soon!!

Sincerely,

The Second Grade Teachers
