WPS Principal Named Director of Curriculum in District 92½

I am pleased to announce that the Board of Education has approved Stephanie DelFiacco, Principal of WPS, as Director of Curriculum beginning July 1, 2020.

During Ms. DelFiacco's tenure as Principal of WPS, she has demonstrated an excellent work ethic and is well respected by staff, students, and parents. She is exceptionally knowledgeable in curriculum issues, staff development, school leadership, and social-emotional learning. Ms. DelFiacco is a strong advocate for student learning and is very excited about the new challenge.

Ms. DelFiacco has served as the WPS Principal since 2015. Prior to that, she served as the Assistant Principal at WMS. She holds a Bachelor of Science in Education from Northern Illinois University and a Masters of Arts in School Leadership from Concordia University. She will remain at WPS as Principal through June 30th and will assist with the search for a new Principal.

While we understand the parents, staff, and students will miss Ms. DelFiacco as Principal, she will be a valuable educational leader for the entire District. We will be advertising for the Principal position immediately. We are also in the process of seeking volunteers to serve on the Principal Selection Team. Please be on the lookout for more information in days to come.

Please join me in congratulating Stephanie DelFiacco to her new role as Director of Curriculum.

Sincerely,

Philip Salemi
Superintendent
