

November 12 to December 7, 2018 marks the United Way Campaign at Windham Public Schools. Our hope is that every employee will participate by making a donation to the United Way.

Why is the United Way so important to our district? For years, the United Way has supported our schools directly with funding for Before and Afterschool Programming (BASP) which is not financed through the schools' general fund budget. Last year, The United Way also financed tutors to support students displaced by Hurricane Maria to offer them help in class. Throughout the community, the United Way supports families with housing assistance, 2-1-1 information line, and tax prep help through VITA.

## It's Easy to Donate—Here's How:

- Visit the [United Way's donation link](#) set up for Windham Public Schools  
Also find it at [www.windhamps.org](http://www.windhamps.org) under Teacher/Staff links. To Log in,  
*User name: Your 6-digit employee identification number that is on your paystub*  
*(example: 123456)*  
*Password: First initial, last initial, 6-digit employee identification number*  
*(example: PG123456)*
  - Choose to make a one-time donation on a credit card,
  - Request a paper invoice to be mailed to you. Checks payable to: United Way Campaign
  - Set up a regular payroll deduction.
- See your school's United Way coordinator for a paper pledge sheet, and mail a donation.
- Support your schools' fun fundraising events over the next month, and throughout the year.

**The school with the highest participation rate will receive a free staff luncheon! Thank you for participating in the United Way Campaign!**
