PRINCIPAL REPORT: Ms. Altamirano is absent

Student Report: The number one priority of the students is the cleanliness of the bathrooms. The engineers only have 6 vacuums and only 1 works (information they received from?) Students would like to have mirrors installed into the bathrooms, "even prisons have mirrors". There is an inspector that comes from CPS that inspects the building for any changes to be made. Air fresheners in the bathrooms would help. Toilet dispensers broken, everyone can focus on bathroom cleanliness.
