School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

Principal's Message

The purpose of the School Accountability Report Card is to provide students and parents with information about our school's instructional programs, academic achievement, student activities, materials and facilities, and staff. Information about our district, Bear Valley Unified School District, is also provided.

Baldwin Lane Elementary School is located in the eastern section of Big Bear Valley and provides rigorous instruction for students in grades TK-6. Baldwin Lane was built in 1995 and currently has 10 main building classrooms and an additional 17 portable classrooms. The school has a library, multipurpose room (stage/cafeteria), one play structure, blacktop play area, and separate TK/Kinder play area. Every teacher has a laptop, Eno board, and document camera. One to one devices are provided for our students, and we continue to utilize various technology to support the classroom learning. In addition, all teachers are teaching STEAM lessons (Science, Technology, Engineering, Art, Math), incorporating the Next Generation Science Standards, math, engineering, art, and critical thinking.

For the 2018 - 2019 school year, a total of 432 students are enrolled comprised of 69.74% students who are eligible for free and reduced lunch program, 14% students who qualify for special education services, and 3.3% English Learners.

Baldwin Lane has 17 classroom teachers, two full time Specialized Academic Instruction (SAI) teachers, one full time Title I teacher, and one full time LCAP Intervention Specialist. Grades TK - 6 have embedded English Language Learner instruction with a certificated teacher and/or EL Coordinator.

We have two district Psychologists, a district Speech/Language Pathologist, and access to two Occupational Therapists and a Physical Therapist through our SELPA, to assist students with Individual Education Plans (IEPs).

Additionally, students receive support from four Title I aides, two Special Education Aides, and one English Language Learner aide. There are two cafeteria staff, two full time custodians, one attendance clerk, one school secretary, one health clerk, one librarian, and a district nurse as needed to assist our students.

Our students are also supported with a Behavior Intervention Specialist for social/emotional needs, and family support through a partnership with Lutheran Social Services.

Parents and the community play an important role in our school by volunteering in the classroom, contributing to fundraisers, and supporting the school programs. The school staff strives to inform the community about the school's educational program, student achievement, and extra curricular activities.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: November 2018

All textbooks used in the core curriculum throughout Bear Valley Unified School District are in the process of being aligned to the California Content Standards. Instructional materials are selected from the state's most recent list of standards-based materials which were adopted by the State Board of Education. The District follows the State Board of Education's adoption cycle for core content materials (English/Language Arts, math, science, and social science).

On September 5, 2018, the Bear Valley Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 18-19- 006 which certifies, as required by Education Code section 60119, that (1) textbooks and instructional materials were provided to all students, including English Learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/Language Arts, including the English Language Development component of an adopted program, 3) sufficient textbook or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 4) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12, inclusive.

School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Baldwin Lane Elementary School's original facilities were built in 1995; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Baldwin Lane Elementary.

The day custodian is responsible for:

- Cafeteria Setup/Cleanup
- Restroom Checks
- Office, Library, Work Room Cleaning
- Window Cleaning
- Trash Removal
- Staff Restrooms
- Portable Classrooms
- Snow Removal

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed.

The evening custodians are responsible for:

- Office Area, Student Restrooms, Classroom Cleaning
- Kitchen
- Main Hallways

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	33.0	40.0	41.0	44.0	48.0	50.0
Mathematics (grades 3-8 and 11)	26.0	32.0	28.0	29.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

English Learners	16	16	100.00	31.25
Students with Disabilities	42	42	100.00	9.52

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.
