James Gray, Principal
Yolanda Luna-Mroz, Co-Principal

Each year, some students and parents ask our staff for letters of recommendation for high schools and scholarships.

We have created the following ground rules for recommendation letters:

- Teachers are under no obligation to write letters for kids.
- We will write TWO letters per child upon request, so choose wisely.
- Our letters will be sent directly to the school the child is applying to.
- All letters are confidential – we do not share the letter with the family.
