3:05-3:15 Lockdown Debrief

Teachers discussed it with their classes ahead of time to prepare. Shared varying strategies. Parent volunteers were impressed at the silence in the classrooms during the lockdown. A desire was heard for the 2nd barrier to be installed in all the doors. A request will be made to Home & School Club to fund or assist with funding for the 2nd barrier

3:15-3:40 Review and Approve the Safe School Plan

Ms. McEntee shared the action plans we chose from the last meeting.

Component 1: Safety People and Programs - Take our Lockdown drill to the next level and conduct a drill during a break period. Objectives were created to achieve this component.

Component 2: Emotional- Create a Physical Environment that Communicates Respect for Learning - Encourage relationship and recognition of our students. Objectives such as Cougar Cash, Pilot mentoring program, and staff professional development for training were created to achieve this component.

Incident Command System Team - No changes in staffing were made

Schedule of Drills was shown

Staff Buddy List was shown

As part of the system, there are leads in Operations, Planning, and Logistics. These three communicate to Ms. McEntee
