SUMMER ART CAMP

Dear parents,

I am, once again, having a week long Art Camp this summer. The dates will be from Monday, June 11th through Friday, June 15th. Each class will be one hour per day, for a total of 5-10 hours. The cost will be \$35 per student. This will pay for the entire week, as well as, the cost of all supplies.

I am offering two choices this year: In the first class we will be making paper mache dinosaurs. The students will be instructed, step-by-step, on how to make a dinosaur out of paper mache. Even though we'll be using a template to start the dinosaur, the students will have the freedom to personalize it. We will paint them on the last day.

The second class will be clay. Because clay can be difficult, I will be having the older kids(4-6) work on a "flicker" candle holder(this will have very cool designs and details).... And the younger kids(2-3) will make various items out of clay..... Roses, animals, pinch pots, etc. If your child would like to attend BOTH classes, I will give a \$10 discount.... both classes for \$60.

If your child is interested in participating in one or both summer art camps, please fill out and return the form below as soon as possible so that I can start getting a head - count and making plans for supply orders. I try to limit the classes to 12-15 kids so that I can give more individualized attention, so again, sign up ASAP... **Please make checks payable to: Kevin Hood.**

Both camps will be held in the art room at Bluestem Elementary.

I really need a working phone number and/or a good email address so I can reach you for final class times.

Thank you for your interest in the art program.
Sincerely,

Kevin W. Hood - BES Art Teacher
