2018-2019 School Year

Dear Parents/Guardians,

The Secaucus Middle School PTA would like to welcome everyone back to the 2018-2019 school year. Our Executive Board, as well as our principle are excited about the upcoming year and are already planning many events and activities that we know the 6th, 7th, and 8th graders will enjoy.

In order for our Middle School PTA to have a successful year, we need as much involvement as possible from our middle school families. Our goal is to reach a 100% PTA membership this year. That can only happen if we can get every parent and/or guardian's support. Our membership dues are only \$6.00 per person. Please help us reach that goal and have a great fun filled successful school year.

Please return the form below and money as soon as possible to your child's 1st period teacher. Checks can be made payable to the Secaucus Middle School PTA.

With you continued support, we will be able to achieve 100% PTA membership!

Sincerely,

Secaucus Middle School PTA Executive Board

Enclosed, please find my check/cash in the amount of \$_____.
