

Help us help RCHS by supporting the Food City School Bucks Educational Program!

When shopping at Food City, take this barcode with you to the cash register. There, the cashier will scan or enter the barcode along with your Food City ValuCard. This will automatically link the two together, which means you'll only need a cashier to enter this barcode one time. **The PLU listed below may also be entered at the cash register by the cashier in lieu of scanning the barcode.**

You can also register your ValuCard online by visiting www.foodcity.com, logging in, and connecting your ValuCard to the school of your choice.

From that point, it's simple... just Shop, Scan, and Save to earn valuable points for RCHS. Remember, this is a ValuCard program... use your ValuCard and save for the school listed below!

HERE IS YOUR BARCODE AND SCHOOL ID:
