Dear Parents,

Spotswood Board of Education will be offering a subscription plan for transportation for the 2019/2020 school year for those students who do not live remote from their assigned school of attendance. Remote from their assigned school of attendance is defined in N.J.A.C. 6A:27-1.4 as:

- Beyond two and one-half miles for high school students (grades nine through twelve)
- Beyond two miles for elementary school students (grades preschool through eighth)

Subscription busing will be by lottery giving preference to students in the following order:

1. *Family members who are not grandfathered as per the Transportation Report released June 2019 and are attending the same school as other family members;*
2. *Family members who are not grandfathered as per the Transportation Report released June 2019 and are attending a different school than other family members;*
3. *Family members who do not meet the mileage requirements but their family members are entitled to transportation due to mileage requirements;*
4. *Any other student along the existing route.*

Please see the attached form, Bus Stop Availability, for the Schools/Stops that have availability to add students. **New stops will not be established.** It is the parent's/guardian's responsibility to ensure the student is safely escorted to and from the nearest stop.

The cost for subscription busing for the 2019/2020 school year will be \$500.00. A payment of \$250.00 is due August 15th and the balance of \$250 is due January 15th. If payment is not received by January 15, 2020 transportation will be discontinued.

If you wish for your child to have a seat on the bus, you must complete and return the application form along with a check in the amount of \$250. All applications must be received in the district business office no later than August 15, 2019. Please make your check payable to Spotswood Board of Education.

Please contact Denise Dellaglio at DDellaglio@SPSD.US or at 732-723-2200 ext. 5032 if you have any questions.

Sincerely,

Vita Marino
